

WOMACK

ELECTRIC SUPPLY

"What Customer Service Is About!"

INDUSTRIAL AUTOMATION

Solutions

Our Commitment

Womack Electric Supply Company's focus on the Industrial market brings the resources that promote energy savings, increase efficiency, reduce downtime, and save money. Womack Electric provides industrial solutions by understanding the business, anticipating needs, and working to attack the most critical areas. Womack Electric is the local source to serve this rapidly changing market.

Our Product Portfolio

Programmable Controllers – Emerson, Idec, Wago, Eaton

HMI/Touchscreens – Emerson, Red Lion, EXOR

Motion – Emerson

Variable Frequency Drives – Yaskawa, Emerson

Network Devices – Emerson, Red Lion (NTRON), Wago

Cables/Cordsets – Mencom, DataSensing

Controls – Eaton, Wago, Idec

Sensors – DataSensing, Eaton, Noshok (Pressure)

Safety-Automation – Emerson, Pilz

Safety-Sensors/Devices – Pilz, IDEM, DataSensing

Motors/Gearboxes – Leeson, Marathon, Century, SEW

Voltage Monitors – Panduit Veri-Safe, Graceport

Autocad Software – Eplan
